Professional Summary

Motivated MCA student with strong foundation in Python, Web Development, and Database Management. Skilled in building responsive web applications using HTML, CSS, and JavaScript with hands-on experience in MySQL database design and CRUD operations. Passionate about software development, problem-solving, and continuous learning in modern development technologies.

Education

Ajay Kumar Garg Engineering College, Ghaziabad
Master of Computer Applications (MCA)

Ch. Charan Singh University (CCS University)
Bachelor of Arts (B.A.)

CBSE Board
Intermediate Education

CBSE Board
High School

Projects

Academic Web Development Projects

- Designed and developed responsive web applications using HTML, CSS, and JavaScript, ensuring cross-browser compatibility.
- Implemented structured frontend components and improved UI/UX design.

Next Gen Repository System (MCA Project)

- Developing a centralized academic repository system to manage digital resources efficiently.
- Designed optimized MySQL database schemas for structured data management.
- Followed SDLC phases: requirement analysis, system design, implementation, and testing.

Technical Skills

Programming Languages: Python

Frontend Technologies: HTML, CSS, JavaScript

Database Management: MySQL

Core Concepts: OOP, SDLC, Database Design

Tools: MS Office (Word, Excel, PowerPoint)

Other Skills: Email Handling, Basic Troubleshooting

Certifications & Virtual Experience

- IT/ITES O'Level (NSQF Level 4) – NIELIT, Government of India**
 - Completed 540-hour certified training in IT fundamentals and digital productivity
 - Gained practical exposure to basic programming and office tools
 - Grade: C | Year: 2025
- Course on Computer Concepts (CCC) – NIELIT, Government of India**
- JPMorgan Chase Software Engineering Job Simulation**
- TATA GenAI Powered Data Analytics Job Simulation**
- DELOITTE Technology Job Simulation**
- TATA Cybersecurity Analyst Job Simulation**
- Web Development Fundamentals**
- Python Programming (Ongoing)**
